

### THE EXHAUSTION GAME

Chose a category (for example: color, fruit, animals, Ben and Jerry's flavors, etc.). Take turns saying one example from that category (as quick as you can!) until you exhaust the topic. The one to get stuck first loses!

### ABC NAME GAME

Gather in a cicle. Begin by saying the full name of a celebrity. The next player has to immediately name another celebrity using the first letter of the previous celebrity's last name. For example: 1st player says, "Mindy Kaling," then 2nd player says, "Kevin Hart," 3rd player, "Harry Styles." If a person says a celebrity whose first and last name start with the same letter (like Gal Gadot), switch directions!
